Residential Recovery Fund Administrative Claim Instructions

Eligibility and awards from the Recovery Fund ("Fund") are governed by the statutes that establish procedures and limitations for the Fund:

- In order to be eligible to receive an award from the Fund, you must first either:
 - (1) file an administrative complaint with the Registrar of Contractors, and the contractor's residential or dual license must be suspended or revoked based upon a violation alleged in your complaint, or
 - (2) file a civil action for judgment against the residential contractor and obtain a court order for payment from the Fund. [A.R.S. §§ 32-1133.01\(A\), 32-1133\(A\),\(E\)](#).
- A claim for payment from the Fund must be filed within two years after the final judgment. [A.R.S. § 32-1133.01\(G\)](#).
- Eligibility is limited to claimants that are the owners of residential real property, that occupy or intend to occupy the property as their primary residence, and that contracted with a licensed residential or dual licensed contractor. [A.R.S. § 32-1132\(B\)\(1\)](#).
- The claimant cannot be the spouse of the residential contractor or the spouse's representative. [A.R.S. § 32-1132.01\(G\)](#).
- To be eligible, the residential or dual licensed contractor's license must have been issued and active, and not expired, canceled, suspended, or revoked on one of the following dates: (1) the date the contract was signed, (2) the date the first payment was made, or (3) the date the work first commenced. [A.R.S. § 32-1132\(C\),\(D\)](#).
- Prior to filing a claim for an award from the Fund, you must first file a claim against the residential contractor's bond, and provide a copy of the results of that claim. [A.R.S. § 32-1133.01\(F\)](#).
- If a claimant is eligible, the Registrar calculates "actual damages" as those damages suffered, if any, as a direct result of a contractor's violation necessary to complete or repair the structure or appurtenance. [A.R.S. § 32-1132.01\(B\)](#). If a claimant has paid a deposit or down payment and no actual work is performed or materials delivered, the award of actual damages may not exceed the exact dollar amount of the deposit or down payment. [A.R.S. § 32-1132.01\(C\)](#). As such, not all damages reduced to a civil judgment may be reimbursable from the Fund.
- If the claimant has recovered a portion of the claimant's loss from sources other than the fund, the Registrar must deduct those amounts from the amount of actual damages suffered. [A.R.S. § 32-1132.01\(F\)](#).
- Proof of cost to complete or repair must be based on bids supplied by, or work performed by licensed contractors, if the person is required to be licensed. [A.R.S. 32-1132.01\(B\)](#).
- A payment from the Fund is limited to \$30,000 per claimant per residence, with \$200,000 as the maximum amount paid per residential or dual contractor's license. [A.R.S. §§ 32-1132.01\(D\), 32-1139\(A\)](#).

Step 1 – Fill out the claim form electronically or by hand. Answer all questions. Failure to complete all portions of the claim form, including submission of copies of all required documents, will result in the Fund's inability to process your claim.

Step 2 - Deliver or mail the signed and dated original of the claim form, along with copies of all required supporting documents, to the Registrar of Contractors' Phoenix office. Retain a copy for your records.
