Form RC-L-200G

OUT-OF-STATE WAIVER REQUEST FORM

Instructions

Complete this form to request a waiver for your license application. After consideration, the Registrar may approve your request. **You must complete this form for each license you are requesting a waiver for and submit it to the state where you have held a license. This waiver will not waive the Arizona Business Management Exam.**

Under A.R.S. §§ 32-1122(A)(4); 32-1122(E)(1); and 32-4302, the Registrar must waive certain licensing requirements if the applicant qualifies under the conditions of these statutes. *See also* A.A.C. R4-9-106; R4-9-119. This may result in the waiver of the examination requirements, experience requirements, or both. If you have questions regarding the applicability of waivers to your specific license application, please contact the Registrar's Licensing Department.

California Applicants: Arizona's Engineering classifications may differ in scope from California's. If applying for the Arizona A-General Engineering license, please submit a scope letter detailing the type of work being performed in the State of Arizona prior to submitting your application to the Registrar. Please send the scope letter to licensing@roc.az.gov.
