AZ ROC Flagstaff Office Moving; Remains Appointment-Only

PHOENIX, Ariz., (September 21, 2015) – The Arizona Registrar of Contractor’s (AZ ROC) Flagstaff Office location is moving from its current location to 2501 N. 4th St., Ste. 22, Flagstaff, AZ 86004.

Effective Tues., Sept. 22, 2015, the AZ ROC’s Flagstaff Office, currently located at 2901 W. Shamrell Blvd., Ste. 100, Flagstaff, Arizona 86005, will move across town to the 4th Street Professional Building, located near the intersection of E. 7th Ave. and N. 4th St.

The Flagstaff Office is currently open to the public by appointment-only and will remain as such following the move.

As was the case before the impending move, correspondence sent to AZ ROC should be mailed to the Phoenix Main Office, at Arizona Registrar of Contractors, 1700 W. Washington St. Ste. 105, Phoenix, Arizona 85007-2812, unless otherwise directed by an Investigator.

Background:

AZ ROC serves two core functions; licensing and the regulation of the licensing of contractors. For licensing, the ROC ensures contractors possess the experience, training and knowledge required in order to qualify for a license and then issues the appropriate credentials. When considering regulation, the agency works to curb unlicensed entities working within Arizona and investigates complaints made against licensed contractors regarding professional standards of their work.
